Asst. Commissioner for Patents
Washington, D.C. 20231

Sir:

This is in response to the Office Action dated June 27,
2001, in the above-identified case. Please amend the application
as follows:

In the Claims:

Please add the following new claims:

17. A method of treating potatoes to increase crop yield by
administering, at the end of the tuberisation phase, two doses of
50 g. each per hectare of copper salts of butyric-amino acids.
